

ESL Program at A⁺ Academy of Advancement

Two Types of ESL Programs are offered at A+ Academy of Advancement.

- i. **ESL for Academics**
- ii. **ESL for workplace**

ESL for Academics: (ESL-ACAD)

ESL-ACAD program is of academic nature and is purely meant for students. The program is divided into 5 major components. Successful completion of these components makes a student eligible to take Academic/Applied Grade-10 English Course.

If a student secures more than 70 % marks in ESL-E, he is eligible to take English-10 Academic (ENG2D1). In case of less than 70% marks, he can join English-10 Applied (ENG2P1).

ESL for Workplace: (ESL-WP)

Gaining proficiency in English is essential for everyone, particularly the newcomers, for living in Canada. You may be in job, in business or any other activity, you need proficiency in English to do your work efficiently.

A+ Academy offers a range of ESL course starting from beginners to Advanced levels. Our courses help enhance your English language proficiency and skills to build your confidence. The courses offer in-depth training in core language skills - reading, writing, listening, and speaking. Our ESL Program consists of courses at literacy, beginner, intermediate and advanced levels.

Foundation 1 & 2 Courses

These are Literacy and Beginner Level courses meant for those who have no or little knowledge of English language. Persons in this category may include mostly new comers or those coming on short visits to Canada and their first language is not English. This course stresses mainly on developing speaking and listening skills among the learners to enable them to properly communicate with others in order to run their routine matters. Proper communication is the major problem of a majority of the new comers and developing this is the major objective of this course.

Intermediate Level (1 & 2) Courses

The course extends students' listening, speaking, reading, and writing skills in English for everyday life in the society. It prepares the students to use English with a better fluency and accuracy in speaking and writing to enable them to attend social gatherings and participate in Canadian society as informed citizens. Students are also trained for fluent reading and proper writing of English language in the form of short stories, essays, and articles. They are familiarized to news paper reading and then making comments on the current news in the form of group discussions.

Advance Level Course

This course is aimed at enhancing the learners' proficiency in English in all areas i.e. listening, reading, writing and speaking. Students are encouraged to develop independence in a range of academic tasks. They will participate in discussions, debates and classroom workshops; read and interpret current news, government policies and historical events. They will also be trained in writing essays, narratives, and reports.
