## ESL for Daily Life - ESL-DAL

ESL-DAL is a 4-week program that emphasizes on improving your communication, reading and writing skills in English to allow you to conduct your daily-life routine in an English speaking community. Students can also use the skills learned in this course to be able to communicate effectively at their professional workplaces. This course consists of three levels: Foundations, Intermediate and Advanced.

Foundations Level	Intermediate Level	Advanced Level
<p>This course is meant for those with little or no knowledge of the English language. People in this category may include newcomers or those coming for short visits to Canada to have a taste of our language and culture. This course emphasizes mainly on developing basic speaking and listening skills to enable the learner to communicate in English in order to run their daily-life activities in an English speaking country.</p>	<p>This course extends students' listening, speaking, reading, and writing skills for everyday life in the society. It prepares the students to use English with a better fluency and accuracy in social gatherings. Students are trained to give short speeches on a variety of topics in group discussions. Students also learn how to write letters, and how to read formal texts such as newspaper articles.</p>	<p>This course is aimed at enhancing the learner's proficiency in English in all areas such as listening, reading, writing, and speaking. Students will also learn how to communicate well formally in professional settings such as workplaces and schools. Students will learn to read and interpret news, government policies, and historical events, and answer analysis questions based on the readings. Students will further participate in debates on a variety of topics.</p>
